We the undersigned claim the forgoing individuals are determined to overthrow our constitutional form of government and force their communist form of government onto the people, by replacing our Constitutional Law with Sharia law.

We stipulate that the following is true:

1. Socialism is just a conman's sales pitch line for communism, and unless the public officers engaged in forcing their so called socialism onto the people have denied to accept public funds that exceed the minimum wage or poverty level, and have agreed to

1 waive all special privileges and immunities they are actually engaged in forcing  
2 communism onto the people in the name of socialism.

3 2. RCW 9.81.083 declares Communism a criminal organization.

4 3. Our constitutional form of government provides for equal opportunities and equal  
5 protection of our laws for every sovereign individual , while Sharia Law honors  
6 "Nobility" and is conducive to communism whereas it allows all "Nobel persons" (public  
7 officers) the right to take advantage of the individuals that serve them: IE their  
8 servants.

11 joined the criminal conspiracy of Chaz subversive activities, domestic terrorism and

Failure to make a written, lawful, adequate response will result in cease and desist orders, forfeiture of all official bonds and immediate removal from office for the public officials identified in this complaint.
